### 3000 & 4000 SERIES CUSTOM SIGNAGE

Charleston Sign Manufacturing can create unique and custom architectural signage designs using aluminum skin, angle, and tubing components.

Our Series 3000 and Series 4000 architectural signage systems are perfect for pylon and monolithic signage applications, and we offer illuminated or non-illuminated configurations.

All of our custom designed signs are shipped fully assembled for easy installation, and we finish all the components after fabrication.
